INTRODUCTION

QUALITY EDUCATION AT THE DOORSTEP OF OUR COMMUNITY

Ali Public School was founded in 2012 and was granted College status in 2019. We offer a strong academic curriculum, broad co-curricular opportunities, excellent care and a clear sense of values. Our motto is 'Quality in Everything'.

We live by our motto in delivering quality education at the doorstep of the community we serve. Our aim is to provide the right environment for nurturing the intellectual and character building aspects of our students.

We 'mine for gold' in each child, encouraging them to succeed on the pathway that's right for them. Many of our prospective parents say, "I want a school where my child will be happy", and Ali Public School becomes their choice.

To be recognised as the Gold Standard Setter for provision of World Class quality education

FIT FOR DIGITAL AGE

Ali Public School is ready to face the challenges of the Digital Age and is equipped to take full advantage of the opportunities on offer. We are preparing our students to be the leaders of this New Age.

Our aspirations are sky high. We want to be the IT hub of Peshawar and we are making this a reality through continuous investments in latest technology, skills and resources.

- State of the art IT labs
- Highly qualified staff
- IT lessons from class 4 and above
- BISEP registered examination hall
- Transport fleet
- Oxford syllabus

3 to 4	1,500
5 to 7	1,700
8 to 10	2,000
College	
Medical/Engineering/CS	2,600
Transport	800

NURSERY & KG SECTION

Children are cared for by a team of highly dedicated female tutors, treating each child as their own with care and compassion. Our vast playground is well equipped where they can run and be playful with their friends. Our excellent curriculum provides strong foundations in critical areas of literacy and numeracy skills.

GIRLS SECTION

In 2018 we opened this Section which can cater for all ages up to and including college level. The Section is exclusively managed and run by female staff members. Facilities in this Section are of the highest quality.

BOYS & COLLEGE SECTION

This Section is housed in our brand new building spread across 4 canals with two large playgrounds of over 6 canals. With state of the art IT lab we are preparing students for the challenges of 21st century. We also have 2 science labs and a large, BISEP registered, examination hall with total capacity of 200 students. College students can choose to study Medical, Engineering and Computer Science.
